

LEAD → F AFRICA

Feb - Apr 2023

Are you ready to take your leadership skills to the next level?

Hi, I'm Amelia the head of our leadership accelerator, Lead F. I'm excited to tell you more about our 10 week leadership program specifically designed for African women tech entrepreneurs and innovation enablers.

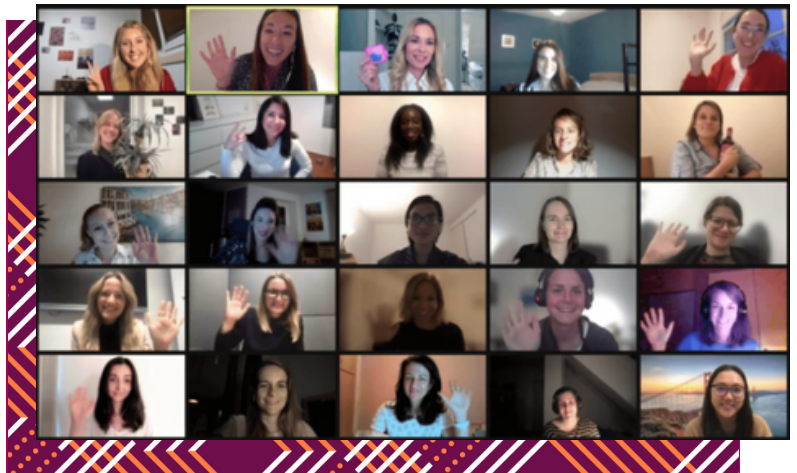

Learn more about our program in this brochure and don't hesitate to email me if you have any questions at amelia@female-founders.org

Join our small, international cohort of leaders.

At Lead F, we believe the best way to learn is as a group. We keep cohorts small, to ensure an intimate exchange between our participants and speakers. We are an open-minded, curious group of leaders who want to make an impact.

About our Program

Our 10 week program is based on three pillars: networking, learning, and mentoring. This program is for any African woman tech entrepreneur, innovation enabler or policy enabler who wants to grow their leadership skills and build a network of like-minded leaders.

Lifelong Network

Build a lifelong network of female leaders across Africa and Europe. This includes access to Female Founders community events and conferences.

Skills & Knowhow

Our weekly sessions are highly interactive. They include insights from top subject matter experts and concrete tools that you can start implementing right away.

Program Mentoring

Get feedback on your leadership style through 1:1 peer coaching and mentoring throughout the course of the program.

TENTATIVE CURRICULUM

Please note topics are subject to change depending on the participant's needs

Our 10 week program focuses on helping you to become a more confident and resilient leader through weekly learning sessions and exchange with international participants and speakers. Our program includes an in-person kickoff, followed by weekly online sessions via zoom.

In-Person Kick Off: Feb. 19-21 2023

You'll get a chance to meet the entire group in person in Kigali, Rwanda. Two full days of fun, networking, and learning about your unique leadership style before we start the online part of the program.

Confident & Persuasive Speaking

Learn how to speak in a way that engages and persuades your team and audiences.

Leading in Uncertainty

Learn to navigate your team through uncertain times and find opportunities in change.

Managing Team Culture

Learn how to build a culture that empowers all employees to do their best work.

Becoming your own Coach

Discover a new management style that helps to unlock potential in yourself and your team.

Personal Branding

Design your own unique purpose statement that you can share during meetings or on LinkedIn.

Negotiation in Action

Feel prepared and confident in your negotiations and learn how to create a win-win outcome.

Conflict Management

Understand different types of conflict and how non-violent communication can help you resolve them.

Giving & Asking for Feedback

Learn how to confidently give feedback in a way that motivates and supports learning in your team.

Online Program Finale: April 26th 2023

We will close the program via an online session recapping all that we learned, and how we will continue to implement our learnings in our roles moving forward. We also have a couple of surprises awaiting you!
